A Day with Ted Matson, 10:00 AM

Brandywine Town Center, Naamans Road

Cookie person: Bob MacDonnell

Pre-meeting tree counsel: Henri Vermeulen

A Day with Ted Matson

Ted was with us several years ago for a very full day of styling advice and general information. He had barely left before numbers of members were begging to have him return. He loves bonsai and loves working with and talking about trees. We will follow the same format that worked well the last time: Ted will do a quick evaluation of your tree, and set you on your path. Later, most likely after lunch, he will review your work.

Bring a note pad and pen, and prepare to listen to what he has to say about all the trees; he is a Niagara Falls of information that you won't want to miss. Bring also your tools, and a lunch/beverage to tide yourself over. Please: in fairness to all members, present just one tree at a time for Ted's review and help. If there is time, bring out your additional tree(s).

The Picnic/Auction – Event of the Summer

Look through your trees, pots, tools, books, stands, companion plant material, and other items to see what you could share with others and benefit the club. The date will be July 18; rain or shine, Anson Nixon Park, Kennett Square. This year again we will have a hoagie lunch. Further details will be included in the July newsletter.

Brandywine River Museum Show

The annual spring show at the Brandywine River Museum was a rousing success this year. Hats off to Pat Morris – she did a great job getting it organized and put in an inordinate amount of time. Turnout was pretty good and we even had a couple couples who came just for the bonsai exhibit. We had an outstanding

selection of trees that were certainly appreciated by the public. A few of the trees are pictured in the rest of this newsletter. If everything goes right, digital copies of photos of all the trees will be available on a CD to be distributed at the June meeting.

A very big

THANK YOU

to all of you who helped
make the bonsai display at
the Brandywine River Museum
one of the best ever!

Thanks . . . Pat Lucke Morris
